

*March 20, 2020*

*This message is being sent to all members of the Central Texas Food Bank Partner Agency network.*

### **COVID-19 Update**

Partner Agencies:

**Please join us for a Network Check-in Call with Derrick Chubbs, Central Texas Food Bank President & CEO on Thursday, March 26, 2020.**

On the call, we will share the state of the network's COVID-19 response, provide CTFB updates, and answer questions submitted by partners. Following the update from Derrick, the Agency Relations Team will offer some technical guidance and clarify the temporary changes to the TEFAP eligibility process.

Due to the high number of participants we anticipate on the call, we will only be collecting questions in advance. Please submit your questions by 5:00 p.m. Tuesday, March 24 by using this form:

<https://centraltexasfoodbank.wufoo.com/forms/network-checkin-call-questions-survey/>

We will send a message early next week with call-in instructions and a specific time.
