Central Texas Food Bank programs are essential services that are exempt from shelter in place restrictions. All distributions are operating as a drive-thru with pre-packed boxes that will be loaded directly into your vehicle’s trunk. Please allow appropriate space in your trunk before arriving at the distribution.

Recipients will receive an emergency food box containing approximately 28 pounds of food items such as peanut butter, brown rice, canned tuna or chicken, fruits, vegetables, frozen protein and more (actual contents may vary). Each household will be limited to one box.
