Document ID : IFB Clarification

Description: FY21 - Cargo Vans

RE: IFB FOR CARGO VAN RENTAL CLARIFICATION

CLARIFICATION

1. Cargo Van Length

The vans must be between 15 and 20 feet in length.

2. Cargo Van Cubic Feet

Cargo space within the van must safely accommodate two pallets.

The vans will not require a refrigeration unit.

High roof with internal clearance of at least 72".

3. Examples are not limited to the following:

- *Ford 250 High Roof*
- *Ram ProMaster*
- *Mercedes Sprinter*
- *Hyundai H350*

4. Insurance

CTFB carries auto insurance and will not require additional.

Proof of insurance is provided upon request.
