Extension Announcement: Temporary TEFAP Intake Form & Signature Waivers

Texas Department of Agriculture (TDA) has extended the TEFAP Signature waiver to remove the required signatures from
participants/proxies on TEFAP intake forms until **March 31, 2022**. Please use this extension as a **transition period** to help your intake staff & volunteers transition back to collecting participant signatures on TEFAP intake forms by **March 31, 2022**.

Agencies must still obtain federally required intake criteria to properly determine and document eligibility. All information is self-declared by the participant and documentation to determine eligibility is never required.

- Regular TEFAP Intake Form ([English](#)/[Spanish](#))

Please be sure to determine eligibility based on categorical and/or income first. If the participant does not qualify from those two, please utilize the household crisis option and document the reason: lost job, furloughed/laid off, etc.

As reminder, all partners must publicly post and/or share the [Participants Rights and Responsibilities](#) with participants during the intake process. All staff & volunteers collecting participant information must have a current Civil Rights Training on file with CTFB. You can find a link to this important training [here](#).

If you have any questions regarding the intake process or TEFAP eligibility, please reach out to your CTFB relationship manager or call the AR Hotline 512-684-2503.
