Alternate TEFAP Intake form now available.

Texas Department of Agriculture (TDA) has released an alternate TEFAP intake form that may be used at the discretion of agencies. This form may allow for
more efficient processing of applicants in certain scenarios (ie. drive through distribution). Site staff will record each household’s eligibility/ineligibility with a check mark, and applicants must sign immediately under their name.  

*Reminder: The TEFAP signature waiver will expire on March 31, 2022.* When using the Alternate TEFAP Intake form, agencies must take steps to ensure that neighbors’ personal information remains protected and out of view of other individuals. Agencies may use the Regular TEFAP Intake form instead of the Alternate TEFAP Intake form if that is their preference.

Please be sure to determine eligibility based on categorical and/or income first. If the participant does not qualify from those two, please utilize the household crisis option and document the reason: lost job, furloughed/laid off, etc. All information is self-declared by the participant and documentation to determine eligibility is never required.

As reminder, all partners must publicly post and/or share the [Participants Rights and Responsibilities](#) with participants during the intake process. All staff & volunteers collecting participant information must have a current Civil Rights Training on file with CTFB. You can find a link to this important training [here](#).
If you have any questions regarding the intake process or TEFAP eligibility, please reach out to your CTFB relationship manager or call the AR Hotline 512-684-2503.
