MONTHLY REPORTING IN AGENCY EXPRESS
NETWORK STANDARD & CAPACITY TEAM

The mission of the Central Texas Food Bank is to nourish hungry people and lead the community in the fight against hunger.
What is changing?

• No longer using Wufoo to submit reporting, rather we are now using Agency Express
  – [Link to Agency Express](#)

• If report is late, the Agency will be placed on a HOLD automatically on the 9th of the month and will remain on hold until report is submitted

• For agencies on Oasis or another electronic system, we are now asking for unique/unduplicated household and individual numbers
Historically, CTFB has requested duplicated households and individuals for all pantries.

- **Total Households Served:** This is the total number of households who received food in the month. This number is a duplicate number – each family should be counted every time they receive food from the pantry.

- **Total Individuals Served:** This is the total number of people who will benefit from the food received from the pantry during the month. This is also a duplicate number.

Duplicated vs. Unique (Unduplicated)

• What does Unique (Unduplicated) mean?
  – Unique (Unduplicated) Households Served: This is the number of unduplicated households that receive food in the month. This means that you count the household one visit per month, even if they visit more than one.
  – Unique (Unduplicated) Individuals Served: This is the total number of people who have benefited from the food received from the pantry during the month. This is an unduplicated number.

**UNDUPLICATED HOUSEHOLDS SERVED:**

This is the number of unduplicated households who receive food in the month. This means that you count the household one visit per month, even if they visit more than once.

**EXAMPLE:**

Gary Smith visited Rosebud Pantry twice in August. The agency would report this number as 1 in the Unduplicated Household category.

Where to find your numbers?

Paper Intake

• If your current process tracks these numbers, keep using it and keep it up!
• CTFB provides sign-in sheets, that allow agencies to track monthly distribution totals.
• Just be consistent!

Oasis Intake

• There are 2 ways a PA can pull their monthly report in Oasis.
  – Assistance Report
  – Service Insights Report
For Oasis Only – Assistance Report
